

THE
SELBY
TRUST

FAMILY

'We appreciate Selby as it keeps them entertained and busy, which is so important.

They actually look forward to the holiday clubs not just the sport but the to the activities too. (Joshua 12yrs) makes music in the music studio sessions and now he writes music and raps all the time.

Rashawm's (10 yrs) behaviour has improved so much and they have learned to behave around lots of children. He had a number of behavioural issues in the first few clubs but nowadays he gets no complaints."

Twana (now 17yrs) learned to DJ for the at Selby Active and showed natural talent, she also discovered and joined the mixed teens boxing sessions and the girls only sessions. After trying boxing at the holiday club, the children now frequently attend the after school boxing club sessions.

(Mother, 4 of her children have attended all 14 holiday clubs since 2021 and now attend boxing sessions on site).
